

# The UK's leading nursery review & listing site

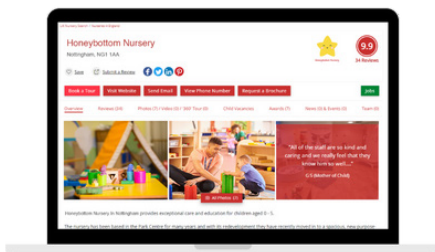

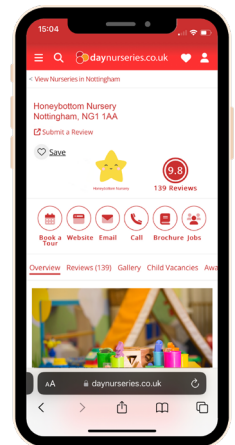

3.5 million visits per year • 14,500 nurseries • 200,000 nursery reviews

daynurseries.co.uk is the UK's number 1 nursery listing and reviews site with over 3.5 million people using us every year. We focus purely on the nursery sector and our aim is to help parents find the perfect setting for their child.

## Why subscribe to daynurseries.co.uk?

### Online Profile

You get a comprehensive online profile to showcase your nursery and attract parents searching for a place for their child. You'll have a dedicated Account Manager on hand to help you create and maintain the perfect profile along with access to an online Support Centre covering every aspect of your subscription.

### Lead Generation

You appear in thousands of local nursery searches (in daynurseries.co.uk and Google). Parents can see all the information about your nursery in one place and are prompted to get in touch via email, telephone, a tour request, via your website or downloading your brochure.

**Last year we generated over 230,000 enquiries for UK nurseries.**

### Reviews Portfolio

Generating reviews is straightforward with access to multiple tools including email, Facebook and WhatsApp invitations and Freepost review cards.

Reviews are incredibly important and are relied on by nursery seekers when selecting a nursery. Our reviews service is a major part of the subscription and we have a dedicated team to verify and process every submitted review.
